MEMO ENDORSED

Re: United States v. Anthony Brice
Docket No.: 10-CR-391

Dear Judge McMahon:

I am CJA counsel to Defendant Anthony Brice in the above-referenced case. Mr. Brice is scheduled to appear for sentencing on a violation of supervised release on Monday, January 6, 2020.

1/6/2020

I write to respectfully request a two-week adjournment of the sentencing hearing. I am currently scheduled to begin a brief bench trial in Nassau County next week in *People v. William Hasper*. For this reason, and because we are still collecting documents which speak to the factors of 18 U.S.C. §3353(a), and which will form an important part of my submission for the Court's consideration at sentencing, I am respectfully requesting this short adjournment.

I have spoken with the government, by AUSA Michael Maimin, and they do not object to this application.

The Court's consideration is greatly appreciated.

Respectfully submitted,

/s/ Edward V. Sapone
